

# SPREAD THE WORD ABOUT SCHOOL BUS RIDERSHIP

## FREE RESOURCES COMMUNITIES CAN USE

Imagine a world with less traffic, cleaner air, and more affordable transportation. These are just some of the benefits that school bus ridership provides. Since students are about 70 times more likely to get to school safely if they take the school bus instead of traveling by car, it's hard to find a reason to send them to school any other way.

**SPREAD THE WORD. GET INVOLVED. SUPPORT THE SCHOOL BUS.**
